

Plan

Child

As Child has been performing academically above preschool level in many areas, we have been delivering Early Stage One over 2019 and 2020 in lieu of preschool curriculum.

He attends homeschool meet ups, excursions, and activities with the family.

He's commenced Foundation maths using the Targeting Maths work book, and enjoys working through Kiwi Co boxes.

He dictates letters to friends in Adelaide, and enjoys Artventure.

He enjoys a lot of educational iPad apps, notably the Reading Eggs series of apps, Teach Your Monster to Read, Targeting Maths, and Dragonbox.

Early Stage 1 English

Plan:

Dictating writing, involving composing sentences, observing structure.

Weekly speech therapy to assist in language skills.

Child enjoys Reading Eggs and Teach Your Monster to Read, competently working his way through the lessons.

Resources:

Reading Eggs

Teach Your Monster to Read

Speech Therapy with A Growing Understanding

Early Stage 1 Mathematics

Plan:

Child is working through Targeting Maths Foundation. He is working through Math Seeds on his computer. He enjoys exploring the Spielgaben, making patterns with the pegs, pictures with the geometric shapes, and structures with the blocks.

Resources:

Targeting Maths

Dragonbox

Math Seeds

Spielgaben

Early Stage 1 Science

Plan:

Child joins in on all family science activities, as well as science excursions and workshops. He also enjoys working through Kiwi Co boxes.

Resources:

Skills Sharing Days
Excursions
Kiwi Co

Early Stage 1 History

Plan:

Exploration of history will be through conversation around places and people. We are continuing to read Absolutely Everything and will be starting Story of the World as a family.

Resources:

Absolutely Everything
Story of the World
Local information signs

Early Stage 1 Geography

Plan:

Observation of places we visit, map reading, signs, and navigation. Observation of geology in places we visit, differences from place to place.

Resources:

Maps
Excursions

Early Stage 1 PDHPE

Plan:

We attend frequent bush walk home ed excursions, as well as regular meet ups at playgrounds. The kids now have a Funky Monkey Climbing Frame to work on core and upper body strength. Child also enjoys time on the trampoline.

Resources:

Skills Sharing Days

Excursions

Meet Ups

Trampoline and climbing frame at home

Early Stage 1 Creative Arts

Plan:

Child enjoys Artventure and making things from craft materials and out in the shed with Steve.

Resources:

Artventure
